

CERTIFIED ORGANIC

# Delgado Protein Plus

**Delgado Protein Plus** is an environmentally conscious organic vegan whole food powder for everyday use. It was specially formulated to increase your lean body mass, achieve nitrogen balance and protect against illness and disease with a substantial dose of organic protein in every serving. It also contains a complete amino acid profile to help repair tissue and build muscle. Delgado Protein Plus is a high-protein alternative to soy/animal products and those sensitive to milk, wheat or soy.

**Contraindications:** None reported to date. If a reaction occurs, discontinue use and consult a doctor.

**INGREDIENTS** Organic Brown Rice Protein, Organic Jerusalem Artichoke, Organic Agave Inulin, Organic Spinach, Organic Broccoli, Organic Kale, Organic Parsley, Organic Spirulina, Organic Chlorella, Organic Apple Powder, Organic Pineapple, Organic Mushroom Maitake, Organic Mushroom Reishi, Organic Mushroom Lion's Mane, Organic Mushroom Agaricus, Organic Mushroom Cordyceps, Organic Mushroom Turkey Tail, Organic Mushroom Tremella, Lo Han Guo
