

Slim Blend

Delgado Slim Blend This detoxifying super food powder includes 52 vegetables, seeds, sea plants and exotic fruits. Each scoop contains over 17 grams of dietary fiber which is the highest amount of fiber offered in any whole food supplement. Use this product to aid the reduction of fat tissue and excess cholesterol associated with a risk of heart disease and stroke. It also aids with digestive problems, ulcers, constipation, Varicose veins, diverticulosis, and immune system disorders and contributes to healthier joints. Reduce obesity, colon cancer and immune system disorders. In 1977 Dr. Dennis Burkitt and famous researcher Hugh Trowell stated to the US Senate Committee on nutrition and human needs, that over 30 diseases may regress on a Delgado type diet rich in dietary fiber including atherosclerosis, MS, hypertension, diabetes, gallstones, gout, obesity, osteoarthritis, osteoporosis, Rheumatoid arthritis, senile dementia, and ulcerative colitis. **Contraindications** Gas and bloating are sometimes experienced. This generally passes within a week.
